## Access to a world of information

The Library has an extensive print and electronic collection. Electronic resources are available 24 hours a day, so you don't have to be in the library to find what you need. [www.lib.monash.edu/collections](http://www.lib.monash.edu/collections)

As a postgraduate student you also have access to our Document Delivery Service through which you can request material not available at Monash to be brought in from other sources. [www.lib.monash.edu/services/loans/docdel.html](http://www.lib.monash.edu/services/loans/docdel.html)

## Suggest a purchase

We encourage you to recommend material to add to the Library's collection. Discuss this with a librarian or fill in the suggestion form. [www.lib.monash.edu/forms/purchase-suggestion](http://www.lib.monash.edu/forms/purchase-suggestion)

## Helping you through the publishing maze

Our library staff understand the scholarly publishing process and can recommend the most useful information resources for you.

We can help you access full text articles and show you how to track developments from key articles. We can also assist you with citing an unusual source and keeping up-to-date with the latest developments in your field.

## Generous borrowing conditions

As a postgraduate student you are entitled to borrow up to 40 items for four weeks with online renewal options. [www.lib.monash.edu/services/loans/monash.html](http://www.lib.monash.edu/services/loans/monash.html)

Through the library catalogue you can request that items held at other library branches are sent for you to collect at your local branch.

## We're wireless enabled

All of our branches are wireless enabled so you can use your laptop and access the internet at any of the libraries on Victorian campuses. Study areas are also available exclusively for postgraduate students at some libraries.
