# Strengthening education

GROUP OF EIGHT

[www.lib.monash.edu](http://www.lib.monash.edu)

**The Library is your partner in education, contributing a range of services, resources and programs to strengthen your teaching and your students' learning.**  
**[www.lib.monash.edu](http://www.lib.monash.edu)**

## **Information research and learning skills**

Contact your librarian and learning skills adviser to develop a program that will meet the information research and learning skills needs of your students and to embed these skills in the curriculum to achieve Monash graduate attributes. A variety of self help resources are available.

## **Discovering resources**

The Library has extensive print and online resources discoverable through Search. [www.lib.monash.edu](http://www.lib.monash.edu)

## **Reading lists**

We create online reading lists that provide students with easy, direct access to your teaching unit material. We ensure compliance with copyright laws, place special access conditions on popular items and arrange purchase and digitisation of materials.

## **Copyright advice**

The Monash University Copyright Adviser, located within the Library, can provide practical advice on managing copyright compliance within learning and teaching activities.

## **Requests to purchase material**

We encourage you to suggest the purchase of material to add to the Library's collection for your teaching. Discuss this with your librarian or fill in the suggestion form.

[www.lib.monash.edu/forms/purchase-suggestion](http://www.lib.monash.edu/forms/purchase-suggestion)

## Building collections for new or changing courses

New academic initiatives must include a 'Library Impact Statement'. Your contact librarian or learning skills adviser can help you prepare this document.

## Recording lectures for access via the web

Use our online form to request the recording of your lectures. [www.mulo.monash.edu](http://www.mulo.monash.edu)

## Borrowing books

Staff and students may borrow material from all Monash University libraries and can pick up items from the campus of their choice. Registering for a CAVAL card at your branch library allows you to borrow from any Victorian university or TAFE. There is also a reciprocal scheme with many interstate universities.
